Dear Ms Buskiewicz-Piskorska,

Thank you for your message received on 14 January 2009, sent by Marzena Lesniewska, detailing how your school has addressed the “matters” as a response to the 5 year evaluation report.

We are pleased to see continuous progress in your Diploma Programme and to inform you that you have satisfied our requirements.

We look forward to continue working with you over the years to come.

Yours sincerely,

Isabel Machinandiarena
