

ADMISSION POLICY

Monnet International School: Przedszkole Niepubliczne belongs to the Group of International Schools. This is a truly international school which offers universal standards of education, both for Polish and foreign students.

Enrollment procedure:

- Making an appointment with the Principal, Vice Principal and/or PYP Coordinator
- Being acquainted with the following documents:
 - *Statute of Przedszkole Niepubliczne*
 - *General Regulations: Primary Years Programme*
 - *Safety rules in the kindergarten*
- Submitting *The admission application to MIS: Przedszkole Niepubliczne*
- Signing *Agreement on child education at the kindergarten*
- Paying the non-refundable registration fee of 1,500 PLN to the School's account (on the first day of the school education at the latest).

After completing the enrollment procedure, the student is enrolled to the right age group.

Siblings of our students attending Monnet International School are privileged in terms of being given a place.

Once a student is admitted, they are privileged to continue their education on further levels at the school.

Every school year the new *Agreement on child education at the kindergarten* has to be signed.
