

# SIG Survey Analysis

**Central idea: Passion for sports helps us change people's life for healthier.**

Lines of inquiry:

1. Types of individual sports we enjoy
2. The influence of sport on our lives
3. Promoting a healthy lifestyle

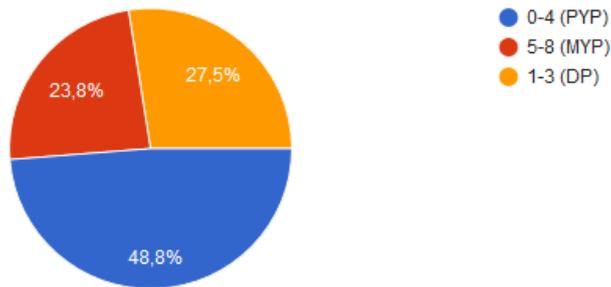

**Group members:** Julia Tomala, Ryby Wiley, Nela Dziak, Alexandra Szymborska, Estera Gessler, Rozalia Walczyk, Milana Volina

**Group mentor:** Agata Przygoda

This survey is about sports. It was created by SIG group. 80 people took part in this survey.

**Our comment:** This pie chart shows how many people do warm ups before they start training. Most of the people always warm up, 32.5% of people sometimes, 12% do warm ups then they remember, 8.4% never warm up before training.

## SUMMARY:

**Milana:** Dowiedziałam się, ile dzieci lubi uprawiać sport. Zaskoczyło mnie, że dużo dzieci lubi jeść owoce i warzywa. Najciekawsze pytanie było, jakie sporty lubią uprawiać dzieci.

I learnt how many students like to do sports. I was surprised that a lot of them like to eat vegetables and fruits. I found question 'What sports do you like' the most interesting one.

**Rozalia:** Na podstawie pytań można zobaczyć, że większość osób się zdrowo odżywia i dużo rusza. Niestety sporo osób lubi grać na komputerze. Jest to bardzo przykre, ale mamy nadzieję, że przekonamy je do zdrowego trybu życia.

Thanks to the survey we can see that most people in our school eats healthy and often do sports. Unfortunately a lot of people also like to play computer games. It worries us, but we hope that we can convince them to have a healthy lifestyle.

**Ola:** Dowiedziałam się, że tylko jedna jedyna osoba nigdy nie uprawia sportu. Zaskoczyło mnie, że ludzie wolą pić wodę od soku dostadzanego. Moim zdaniem najciekawszym pytaniem było: Co zazwyczaj jesz?

I learnt that only one person never plays sport. I was surprised that people prefer water than juice. For me, the most interesting question was: What to you usually eat?

Julia: W ankietach nie było niczego czego nie wiedziałam. Zaskoczyły mnie idealnie ułożone pytania. Wszystkie były ciekawe.

There was nothing in the survey that I didn't know. I was surprised by the quality of questions. All of them were interesting.

**Ruby:** Dowiedziałam się, że tyle osób lubi uprawiać sport. Dowiedziałam się, że najwięcej osób lubi jeść mięso, ziemniaki i sałatkę, a nie warzywa i owoce. Zaskoczyło mnie, że tyle samo osób uprawia sport dwa razy w tygodniu i raz w tygodniu. Dla mnie najciekawsze pytanie to: Co zazwyczaj jesz?

I learnt that a lot of people like to do sports. I learnt that more people like to eat meat, potatoes and salad instead of vegetables and fruits. I was surprised that as many people do sports twice a week and once a week. For me, the most interesting question was: What to you usually eat?
