

# Questionnaire by WAG / Ankieta Grupy WAG

Here are the results. We **analysed** and **interpreted** the results.

Which class are you? / Do jakiej chodzisz klasy?

102 odpowiedzi

102 students of Monnet took part in the survey designed by us. 25,5% of all were grade 5-8 students, then grade 4 (22,5%), Liceum-high school (20,6%), grade 2 (17,6%). Then grade 3, grade 1 and grade 0. We are happy that our older friends (MYP and DP) completed it.

I am: / Jestem

101 odpowiedzi

In the pie chart we can see that 47 of our responders were boys and 54 girls. More girls than boys took part in our survey. That's interesting!

1. Do you have a pet animal? / Czy masz zwierzę domowe?

102 odpowiedzi

As you can see, 63.7% have pets, 26.5% would like to have pets and 9.8% don't have a pet.

2. What animal do you have? / Jakie zwierze masz?

102 odpowiedzi

What we can see is that: 35.3% don't have a pet, 41.2% have a dog, 6% have a cat, 2% have a guinea pig, 1% have a bird, 2% have a rabbit, 0% have a snake, 2% have a lizard, 5% have a hamster, 6% have other pet.

### 3. How did you get this animal? / Skąd je masz?

102 odpowiedzi

- I don't have a pet / Nie mam zwierzaka.
- I bought it. / Kupiłem.
- I adopted it from a shelter. / Adoptowałem ze schroniska.
- I found it. / Znalazłem.
- I got it as a present. / Dostałem.
- Other / Inne

We can see that:

- 36.3% bought their pet
- 35.3% don't have a pet
- 11.8% adopted their pet
- 9.8% got it as a present
- 7% got their pet in another ways.

### 4. What is the benefit of having a pet? / Jakie korzyści daje Tobie posiadanie zwierzęcia?

101 odpowiedzi

- I DON'T HAVE A PET / NIE MAM ZWIERZĘCIA.
- having a best friend / mam przyjaciela
- having a playmate / mam towarzysza zabaw
- it makes me happier / rozwesela mnie
- having a walk companion / mam towar...
- earning money / zarabiam na moim z...
- helping (chasing mice, guide dogs etc....)
- it makes me feel safe / daje mi poczuc...

34,7% didn't have a pet, 24,8% have a pet to have a best friend

20,8% students pets make them happier. These are the most important reasons.

5. How often do you go to vet with your pet? / Jak często chodzisz ze swoim zwierzakiem do weterynarza?

100 odpowiedzi

In question 5, 37% said that they don't have an animal, 21% go to the vet half a year, 19% only when sick, 17% once a month and 6% once a year.

6. Have you ever helped an animal? / Czy kiedykolwiek pomogłeś zwierzęciu?

100 odpowiedzi

89% students said that they helped animals and only 11% said that they never ever helped.

7. When you are outside...have you ever taken rubbish from the ground and thrown it away to the bin? / Kiedy jesteś na zewnątrz... czy kiedykolwiek podniosłeś śmieć z ziemi i wrzuciłeś go do kosza?

101 odpowiedzi

On the pie chart, we can see that most of the students (73,3%) sometimes put garbage in the bin, 22,8% do it always. Only 4% never do it. We can say that the results are good and most students take care of the rubbish around.

8. Do you think that people have negative impact on animals? / Czy uważasz, że ludzie wywierają zły wpływ na zwierzęta?

97 odpowiedzi

For question “Do you think that people have negative impact on animals?” most of Monnet students answer ‘Yes’ (57,7%) while 42,3% think ‘No’. Most of the students realize that people can have a negative impact on animals, but quite a lot do not see the problem.

**9. What organizations are helping animals in your city/town? Write one. / Czy znasz jakąś organizację pomagającą zwierzętom w twoim mieście/miasteczku? Napisz nazwę.**

The most known organisations are: WWF (19), Schronisko na Paluchu (19), almost 40 people had no idea (around 40%). That is quite a lot.

The others mentioned were as follow: Judyta, The Toronto Humane Society, Pegasus Fund, Ratujemy zwierzaki.pl, Towarzystwo opieki nad zwierzętami, Przytul psa, Greenpeace, Fundacja św. Franciszka, Viva, Korci, Sloth Sanctuary of Costarica, Otwarte klatki, Ochota na kota, Zoo, Azyl pod psim aniołem, grupa wolontariuszy na FB pomagający szukać zaginionych zwierząt.

**10. What animal did you see recently in your neighbourhood? Write one. / Jakie zwierzę ostatnio widziałeś w swojej najbliższej okolicy. Napisz jedno.**

The most common animals which were seen recently by Monnet students were dogs, cats and different types of birds (like ducks, crows, sparrows). Some saw a hedgehog, wild animals, squirrels, rats.

Thank you for reading our results and thank you all for completing our survey!
